About NP CET Academy

Established in 1985, the Continuing Education & Training (CET) Academy is the driving force behind Ngee Ann Polytechnic's efforts to offer adult education and training. Our mission to help adult learners navigate the world as it changes, through skills upgrading and reskilling, has enabled more than **100,000** working adults gain new skills, stay relevant and remain employable in today's global economy.

Whether you are taking the timely action to reskill, upskilling to enhance your employability or a Business looking for recovery or maintain continuity for the future, we hope to be your partner with our Diverse training programmes to suit every learner and business in their training needs.

STAY IN TOUCH

Follow us on NP CET LinkedIn and NP CET Telegram to get the latest news on our courses, events and course previews!

Digital Design & Marketing for Wholesale Trade

Online media consumption has seen tremendous growth and demand across digital devices.

Learn how design and creativity blends with technology and businesses as you discover the ins-and-outs of website creation, design principles combined with design thinking and critical thinking skills.

International Supply Chain Management for Digital Sales Support in Wholesale Trade

This course is designed to equip you with foundational skills and knowledge in supply chain management and transportation. Gain an appreciation of the inter-connectedness of the global value chain.

This will enable you to help organizations as they recalibrate their supply chains for greater resilience and flexibility.

Management and Administration for Digital Sales Support in Wholesale Trade

Transform your operations and practices to mitigate the disruptions at lightning speed.

Participants will be equipped with the skillsets to become future-ready workers who can deal with game changing technologies, operate in end-to-end digital environments, and contribute to business sustainability and growth.

Scan here for more information on our other SGUS course offerings:

<http://bit.ly/SGUS>

Decision Intelligence using Data for Wholesale Trade

This data analytics course covers core topics in the area of data science, using R as the core programming language, and design thinking to achieve decision intelligence.

Digital Marketing for Wholesale Trade (Digital Marketing Bootcamp and Certificate in Applied Management)

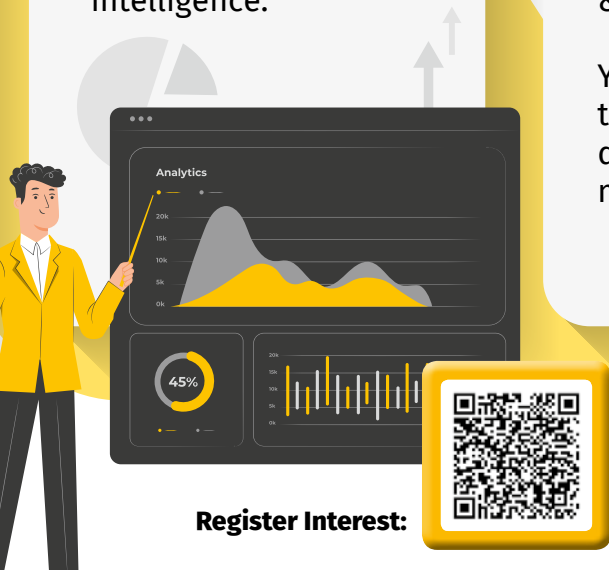

An advanced course for Professional, Managers, Executives and Technicians (PMETs) who wish to pursue a career in the Wholesale Trade sector such as those in the Marketing, Business Development & Analysis.

You will gain exposure to skills such as digital marketing and management.

Digital Sales for Wholesale Trade (EdX Professional Certificate and Financial Management Bootcamp)

An advanced course for Professional, Managers, Executives and Technicians (PMETs) who wish to pursue a career in the Wholesale Trade sector such as those in the Marketing, Business Development & Analysis or Finance and Regulations.

You will gain exposure to skills such as business development and finance.

Our Diploma Programmes

Our wide range of part-time courses will help you advance in your career.
We have two intakes a year in April and October.

Diplomas (2.5 years)

Equip yourself with knowledge and skills to take on a variety of related jobs within a core industry or business domain with our diploma programmes

Diploma Courses	Course Dates	Please refer to website for more details
Diploma in Applied Management for Future Workplace	19 Apr 2021	 http://bit.ly/NP_PTD
Diploma in Business Practice (Administration & Management) ^(WSP)	19 Apr 2021	
Diploma in Business Practice (International Supply Chain Management)	19 Apr 2021	
Diploma in Care & Programme (Student Services & Coaching)	19 Apr 2021	
Diploma in Engineering (Aerospace)	19 Apr 2021	
Diploma in Engineering (Building Services & Fire Safety)	19 Apr 2021	
Diploma in Engineering (Civil & Structural)	19 Apr 2021	
Diploma in Engineering (Electrical)	19 Apr 2021	
Diploma in Engineering (Electronics)	19 Apr 2021	
Diploma in Engineering (Marine)	19 Apr 2021	
Diploma in Engineering (Mechanical)	19 Apr 2021	
Diploma in Engineering (Mechatronics)	19 Apr 2021	
Diploma in Applied Science (Medical Laboratory Science)	Please register interest if you would like us to update you on the next run date	

Specialist Diplomas (1 year)

Deepen your expertise within a specific domain with our specialist diploma programmes

Specialist Diploma	Course Dates	Please refer to website for more details
Specialist Diploma in Business & Decision Analytics	18 Nov 2020	 http://bit.ly/NP_SDsite
Specialist Diploma in AI for Engineers	19 Apr 2021	
Specialist Diploma in Analytical Science ^(WSP)	19 Apr 2021	
Specialist Diploma in Community Optometry ^(WSP)	19 Apr 2021	
Specialist Diploma in Data Analytics	19 Apr 2021	
Specialist Diploma in Data Branding & Social Media Strategies	19 Apr 2021	
Specialist Diploma in Electrical Design & Operation ^(WSP)	19 Apr 2021	
Specialist Diploma in Sustainable Facilities Management ^(WSP)	19 Apr 2021	
Specialist Diploma in Veterinary Clinical Practice	19 Apr 2021	
Specialist Diploma in Biomedical Informatics and Analytics	Please register interest if you would like us to update you on the next run date	
Specialist Diploma in Clinical Education		
Specialist Diploma in Community Gerontology Nursing ^(WSP)		
Specialist Diploma in Marine Design		
Specialist Diploma in Marine Production ^(WSP)		
Specialist Diploma in Palliative Care Nursing		

Note: Applications for April 2021 will open January 2021.

Diplomas (Conversion) (1 year)

Prepare yourself for a career switch into a different industry with our diploma conversion programmes

Diploma (Conversion)	Course Dates	Please refer to website for more details
Diploma (Conversion) in Care and Programme (Student Services & Coaching)	19 Apr 2021	 http://bit.ly/Dconversion
Diploma (Conversion) in Digital Media Design	19 Apr 2021	
Diploma (Conversion) in Facilities Management	19 Apr 2021	
Diploma (Conversion) in Marine & Offshore Technology	19 Apr 2021	
Diploma (Conversion) in Township Management	19 Apr 2021	
Diploma (Conversion) in Veterinary Clinical Science	19 Apr 2021	

Advanced Diplomas (1.5 - 2 years)

Deepen your expertise further with our advanced diploma programmes

Advanced Diploma	Course Dates	Please refer to website for more details
Advanced Diploma in Medical & Pharmaceutical	19 Apr 2021	 http://bit.ly/NP_ADsite
