

## GET A HEAD START ON YOUR TRAINING AND CAREER OPTIONS TODAY

Are you thinking of making a mid-career switch? Are you looking to find part-time diploma programmes that can help you articulate into a full degree programme? Or are you just simply keen to upgrade yourself to perform better at your work in these challenging times? We at NP CET Academy, are here to help you answer those questions. Yes, even before you embark on your learning journey with us. And once you have enrolled into our part-time or post-diploma programmes, our work does not stop there.

You can be assured of getting the right support as you train with us in the Academy. Besides getting the right advice on how you can plan for your learning and career in the longer term, we have put in place a curated programme to help learners discover their strengths and build their personal branding through tools like RIASEC. RIASEC is one of the many tools our Learning and Career Ambassadors (LCAs) use to help you evaluate your career choices based on your personality type and more.

Additionally, for those looking for new career opportunities, our Job Placement Assist (JPA) career support will provide you with the resources you need to begin your job search when you are nearing the end of your studies.

No matter where you are in your career journey – just starting out, looking to upgrade your mid-career skillset, or wanting to transition from your current field – our Career Services provides that integral bridge that enables you to move towards fulfilling your personal and professional aspirations.
