"The course has definitely opened up more opportunities in terms of career progression within my organisation. It has enhanced my skill sets and helped me coach my peers in their job roles. The dedication of the lecturers and the knowledge imparted by them along the way enabled me to complete my studies successfully."

**Tan Ming Chieh, Jim, Diploma in Business Studies (International Supply Chain Management)**

"I was inspired and motivated to complete a Diploma as I was previously unable to. I had great support from my mother and course lecturer, both of whom always motivated and supported me. I loved all the different modules that were presented in the curriculum. I got to learn everything from accounting to social media communications, and even Excel skills."

**Gnanaraj s/o Jnanasegaran, Diploma in Business Practice (Administration & Management)**

"This course has helped me craft interesting projects relevant to my work and opened up possibilities for new business ventures. I would like to thank my course lecturers for their excellent efforts in making my learning journey so pleasant and fruitful."

**Lim Cher Eng, Specialist Diploma in AI for Engineers**

"It was very hard to manage family and work. But I was very fortunate to have an understanding wife and a supervisor who gave me a lot of support. My course lecturer was also very patient and offered her free time to explain the topics to us in detail. I advise everyone to keep learning to prepare for their future."

**Loh Eng Soon, Eric, Diploma (Conversion) in Veterinary Clinical Science**
