### Here's what our Work-Study Programme participants have to say about our courses!

"I took up this Work-Study Post-Diploma because of it's industry-relevant curriculum in modules like green building management and energy management. The WSP experience has been fantastic for me! I am appreciative of my mentor and organisation's support and strongly encourage students to go for it."

**- Elijah Ng,**  
**Asia Pacific Breweries Pte. Ltd.**

"I joined this programme as the course allows me to gain new knowledge as well as acquire new skills at work. During the course, I have gained self-confidence and built my independence in taking on the tasks at work. It has also provided me with the opportunity to learn how to balance both work and school at the same time"

**- Abdul Rahman,**  
**Golden Link Auto Pte. Ltd.**

"My search for a course that provides a good refresher on what I had learnt and the opportunity to gain working experience after my National Service, led me to this programme. I have had the privilege to work with well-regarded mentors at work and meet wonderful classmates. They have inspired me to always keep learning!"
