

Preparatory Course for Singapore CA Qualification (Foundation)

Trainer Profiles

Alan Ang

Alan holds a Master of Business Administration degree from the University of Manchester and a Bachelor of Accountancy from Nanyang Technological University. He is an alumni of Ngee Ann Polytechnic's Diploma of Accountancy program and a Fellow Member of the Institute of Singapore Chartered Accountants (ISCA). Alan has more than 20 years of work experience in multinationals organizations in public accounting, logistics, oil and gas and technology device care protection industries including Deloitte, DHL Express and Vopak. He is currently the CFO, South East Asia and Head of Regional Financial and Planning Analysis of Asurion.

June Yeo

June holds a Bachelor of Accountancy degree from Nanyang Technological University and is a member of the Institute of Singapore Chartered Accountants (ISCA). She has 10 years of experience in education and served as course manager for various CET courses. She is also skilled in social innovation with design thinking as well as pedagogy innovation with edutech tools. Prior to becoming an educator, June worked for more than 10 years in the professional and business sector mainly in taxation, regional management and compliance work in US multinational corporations and international accounting firms.

Lim Ai Leen

Ai Leen is a Fellow Member of the Institute of Singapore Chartered Accountants (ISCA) and a Member of the CPA Australia. She is also a provisional member of the Singapore Association of Counselling. Ai Leen holds a Master of Social Science (Professional Counselling) conferred by Swinburne University of Technology and a Bachelor of Commerce (Accounting and Information Systems) from Deakin University, both from Australia. Ai Leen is currently an associate faculty at Singapore Institute of Technology (SIT) and Singapore University of Social Sciences (SUSS). She is also an adjunct lecturer at Ngee Ann Polytechnic and an adjunct tutor at Singapore Polytechnic. She has been teaching various accounting and auditing modules at these institutions, from basic to advanced levels. Prior to her teaching at these institutes of higher learning, Ai Leen was an audit and assurance partner with an international public accounting firm and an executive director with ISCA.

Raymond Yeo

Raymond holds a Bachelor of Accountancy degree from the National University of Singapore and is a member of the Institute of Singapore Chartered Accountants (ISCA). An experienced Chief Financial Officer, he has held leadership roles in listed multinational corporations and government agencies across various fast-paced sectors including technology, media & telecom, banking, manufacturing, trading (chemical, semiconductor) and tourism. His areas of expertise include strategic planning, budgeting and cost control, investor relations, M&As, debt financing and treasury management. In recognition of his accomplishments, Raymond was awarded CFO of the Year 2018 by CFO Innovation Asia, Questexasia.

Tay Kian Seng

Kian Seng holds a Bachelor of Accountancy degree (First Class Honours) from the National University of Singapore. He is a Chartered Accountant with the Institute of Singapore Chartered Accountants (ISCA) and an alumni member of INSEAD. Kian Seng has strong technical competencies honed from the early days working in an international public accounting firm. This is complemented by a 30-year broad industry experience, having worked in the medical assistance sector and brewery industry, including 4 years based in the PRC. His diverse roles included stints as a Regional CFO, Regional Business Control and Partnering Manager, Project Management Director, Post-Acquisition Integration Manager. He is now pursuing his other passion, in teaching, as an Associate Lecturer with Ngee Ann Polytechnic.

Yeo Ai Ling

Ai Ling graduated with an MBA for Financial Managers and Finance Professionals with merit from Manchester Business School, UK and holds a Bachelor's degree from University of Tasmania, Australia. For more than 15 years now, she has been lecturing on Business and Accounting modules at diploma and undergraduate levels, as well as professional examinations such as the ACCA, CPA Australia and the Singapore CA. Through active engagement and a focused approach, she creates an effective learning environment for her students and has helped many students and prize-winners to achieve their goals.
